

DOUG SPENCER  
16TH ANNUAL  
GOLF CHALLENGE

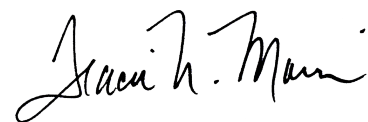

On Friday, April 20, 2012, Coalition for the Homeless of Central Florida will host our **Doug Spencer 16th Annual Golf Challenge** at Falcon's Fire Golf Club. Participants are asked to raise pledges from friends and associates on behalf of the Coalition – with a one-time flat donation or per-hole pledges. On the day of the event, golfers race around a championship golf course, as they compete to see who will complete the most holes in 5 hours.

Your company can be a part of this exciting event! While we couldn't be successful without our golfers, **corporate sponsors are invaluable to our organization and our mission.** Your monetary donations are crucial to our ability to help reduce some of the barriers our clients face as they focus on gaining employment, completing their education or learning valuable life skills.

On behalf of Coalition for the Homeless of Central Florida, thank you for taking the time to review the attached sponsorship package. **To ensure inclusion** in the printed materials, we ask that all **commitments be received by Friday, April 6, 2012.** Please return completed forms via email, mail or fax or visit our website at [www.centralfloridahomeless.org/events\\_golf.html](http://www.centralfloridahomeless.org/events_golf.html) to complete and return your form electronically.

**Thank you in advance** for joining other compassionate business leaders in support of the needs of the homeless men, women, and families with children we serve.

Gratefully,

**Tracie Morris**  
Director of Development
